

Placement Cell is assisting students to build their career with the companies based in India. The well-structured infrastructure that supports selection process like written tests, group discussions, pre-placement talks and interviews according to the needs of the companies. Placement Centre endeavors to foster long term relationships with companies across the industries. Relationships built over a period of time will result in more students from the College getting opportunities for internship and ultimately employment opportunities with these very companies. The Department of Placement handles campus placements for UG and PG graduating students of our campus.

The objectives of Placement Cell are:

- To provide career guidance about avenues open after graduation. i.e. Higher education, placements or entrepreneurship.
- To provide recruitment to students.
- To provide exposure to all pursuing students in form of internships.
- To have good relations with the recruiters.
- Managing Recruiters correspondence and feedback.
- Organizing Pre- Placement Training.
- Providing Training & Placement process awareness to first year students.
- To build the bridge between industry and academia.
